

PHOTOGRAPHY and VIDEOING CONSENT FORM

The Nottingham Synchronized Skating Academy (NSSA) recognises the need to ensure the welfare and safety of all young people in sport. As your child is involved in a team sport, which will involve photos and videos being taken at competition and at times during training sessions, we ask you to inform us whether you would prefer your child **not** to be included in these images.

NSSA will follow the guidance for the use of photographs published on the NSPCC website (details can be found at:

http://www.nspcc.org.uk/Inform/cpsu/helpandadvice/organisations/photography/photosonwebsites_wda61580.html).

In particular, official **photos** taken of squads during training or whilst at competition may be used in any of the following ways:

- Placed on the NSSA notice board at the National Ice Centre
- Posted on the club's website
- Used as gifts for other teams when competing nationally and internationally
- Sold to NSSA parents
- Sent to other clubs for inclusion in event programmes

Official **videos** taken during training and competitions may be used in any of the following ways:

- Posted on the club's website
- Used during off-ice sessions for training purposes
- Shown to recognised officials who wish to view our squads' programmes (e.g. other coaches, Chris Buchanon, NIC staff)

NSSA will take all steps to ensure that any images taken are used solely for the purposes they are intended and identified above. If you become aware that these images are being used inappropriately you should inform the club's Child Protection Officer, Ali Taylor, immediately. It should be noted that as a team sport, any decision made to not allow photos and videos of your child to be taken could impact on their eligibility for team selection.

I **do not** consent to NSSA photographing or videoing my child in the ways listed above:
